

Diablo Extender Board v1 ordering instructions

The following instructions serve as a guide to order Diablo Extender Board printed circuit boards directly from JLCPCB.

Since building this board requires soldering only an edge connector, there is no need to have JLCPCB perform any of the assembly.

JLCPCB ordering options that are different from the default options:

- Click **"Add gerber file"** and upload the Gerber file: "Gerber_PCB_Diablo-Extender-v1_2025-11-25.zip"
- PCB Qty: select the desired quantity
- Surface Finish: **ENIG**
- Mark on PCB: **"Order Number(Specify Position)"**
Note that the order number position is specified in the Gerber file, so just choose this option as specified and the order number will be placed appropriately.
- Gold Fingers: **Yes**
- 30° finger chamfered: **Yes**
- Click **"SAVE TO CART"**
- Click **"View Cart"**
- Click **"Secure Checkout"** and enter the requested information. Choose the Shipping Method that best suits your delivery time and cost goals.
